

My Crochet Project Planner

Plan • Stitch • Create

A free gift for you, with love

Always, Lola

Welcome, Friend

A little note before you begin

Thank you for picking up a hook and joining me on this crochet journey. This planner was made to help you stay organized, remember what you have learned, and look back on everything you have made.

Inside you will find pages to keep track of your hooks and yarn, plan new projects, count your rows, write down pattern notes, and record every finished piece. There is even a page for the colors and yarns you love most.

Print as many copies of each page as you like. Keep them in a binder, add new pages as you go, and do not worry about keeping it perfect. Crossed-out words and coffee rings are proof that a planner is well loved.
